Apply for a MSCA Fellowship with University of Primorska and come to Slovenia

Attn. to: Researchers who are in possession of a doctoral degree or have at least four years of full-time equivalent research experience

Invitation of University of Primorska to be chosen as a host institution for the Marie Skłodowska-Curie Individual Fellowships – Horizon 2020 (MSCA-IF-2016)

On April 12, 2016, the Call Marie_Sklodowska_Curie Individual Fellowships (IF) will be published in frame of the European Programme for Research and Innovation - Horizon 2020. The Marie Skłodowska-Curie actions aim to support the career development and training of researchers – with a focus on innovation skills – in all scientific disciplines through international and inter-sector mobility. University of Primorska invites foreign researchers to apply for a grant and choose University of Primorska as a host institution. IF provides opportunities to acquire and transfer new knowledge and to work on research and innovation in a European context or outside Europe. Support is foreseen for individual, trans-national fellowships awarded to the best or most promising researchers of any nationality, for employment in EU Member States or Associated Countries. It is based on an application made jointly by the researcher and the beneficiary in the academic or non-academic sectors.

University of Primorska is a young university established due to regional demands and needs for greater availability of higher educational programmes in Slovenia on a bilingual area in municipality Koper/Capodistria. UP is structured from seven faculties and two research centres and main research fields are following: Management, Educational Sciences, Mathematics, Computer Sciences, Biodiversity, Mediterranean Agriculture and Olive Oil, Sustainable Use of Wood, Health and Health Prevention, Kinesiology, Tourism, Philosophy, Intercultural studies, History and Heritage, Linguistics.

Deadline Date: 14 September 2016
